

TRAFFIC ALERT: ALL LANES of the Courtney Campbell Causeway are shut down due to

2015-01-19 14:26:42 by Robert

Initial reports indicated both sides of the Causeway would be shut down to allow Bayflite to transport a patient. However, westbound lanes are currently open, although motorists are advised to find alternate routes for the "foreseeable future." Eastbound traffic remains closed and is being diverted at McMullen Booth Road. The crash happened on the Clearwater side of the Causeway, near the small or first bridge. One patient is being taken to St. Joseph's Hospital.
